

On behalf of Hardbanding Solutions by Postle Industries we would like to use this December bulletin to simply thank all of our loyal applicators and customers. As we all prepare for the beginning of a new year, it is appropriate to pause for a moment and be thankful for your support.

In 2019 our intentions are to continue the same great support of Duraband that you have come to expect and improve in any areas that require attention. Your feedback will help us improve.

Please take a moment to reply to this e-mail and let us know any areas that you feel we could provide better support. We will strongly consider any feedback that you offer.

Happy New Year!
We wish you all
a healthy and
prosperous 2019.

*With Warm Regards,
Your Friends at*
